Overlength CD Production

..... requests Software Partner to manufacture
(customer)

the CD with a maximal playing time of minutes,
(title) (length)

although Software Partner explicitly has warned that such an overlength might not work with all CD players on the market. Therefore will not rise claims against
(customer)

and will hold Software Partner harmless from and against any claims, damages, liabilities arising with any possible legal action which might occur due to the overlength of such CDs.
